

PREPARING SCHOOLS FOR PANDEMIC

10 AM to 2 PM on both days | Rs 1800+18% GST

TWO-DAY TRAINING WORKSHOP

OBJECTIVE AND AGENDA

Quality Council of India (QCI) is an autonomous body under the Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India with a mission of creating an ecosystem for quality.

OBJECTIVE

The workshop has been designed to support you in

- Providing detailed understanding of reopening protocol, including making checklists and Standard Operating Procedures (SOPs) mentioning roles and responsibilities of staff members to maintain safety & security of students & staff
- Modifying teaching and learning plans with an added emphasis on blended learning and prioritising provision for students according to their needs
- Instituting business and operations continuity plans, along with an understanding on implementation trigger system with respect to any future epidemic/ pandemic outbreak.
- Discussing implementation of various health and hygiene provisions based on the hierarchy control specified by Occupational Safety and Health Administration (OSHA) standard among others
- Additional focus on safety guidelines for reopening of pre-primary schools and boarding schools.

Takeaways: Participation eCertificate + Set of Checklists for Schools
